About the property

For sale: rustic agricultural land located in a peaceful and highly sought-after area between the charming villages of Lajares and La Oliva, in the north of Fuerteventura. This location offers a unique natural setting, ideal for those looking for a space to enjoy tranquility, nature, and the agricultural potential of the island.

The plot is not suitable for residential development, meaning the construction of housing is not permitted. However, there are legal possibilities to build an agricultural tool shed, provided it is for farming use and complies with current regulations.

An excellent opportunity for anyone wishing to develop an agricultural, ecological, or self-sufficient project in one of the island's most beautiful and valued areas, close to towns with all amenities.
