## Location

*Villaverde  
Fuerteventura  
Spain*

Villaverde is a small, charming village in the northern part of Fuerteventura and is known for its quiet, rural atmosphere and stunning scenery. The traditional whitewashed houses with dry stone walls reflect the typical Canarian style. The surroundings of Villaverde are also rich in volcanic landscapes, with several viewpoints offering panoramic views of the island's rugged terrain, such as the nearby Montaña Escanfraga, an extinct volcano. Villaverde is famous for its caves, especially Cueva del Llano, one of the longest volcanic tubes in the Canaries, which has been converted into a museum offering an insight into Fuerteventura's geological history. The local gastronomy is outstanding, with several traditional restaurants offering dishes that reflect Fuerteventura's agricultural heritage, such as goat's cheese, grilled meats and locally grown vegetables. The leisurely pace of life and scenic surroundings make Villaverde a tranquil retreat for visitors looking to experience the more authentic side of the island.
