Fuerteventura  
Spain*

Parque Holandés is located on the east coast of Fuerteventura between Corralejo and Puerto del Rosario and is part of the municipality of La Oliva. It was designed by an architect from Holland and is therefore called "Parque Holandés". You can find luxury villas as well as apartments and houses with reasonable prices to buy and to rent. This is possible because Parque Holandes is not so close to the tourist centres where prices are higher.
