*Morro Jable  
Fuerteventura  
Spain*

One of the main attractions of Morro Jable is its stunning beaches. Playa de Morro Jable stretches for several kilometers, offering soft white sand and shallow waters, making it ideal for swimming and sunbathing. The beach also offers views of the Faro de Morro Jable, a striking lighthouse that marks the entrance to the port. Morro Jable's port is a hub for both fishing and ferry services, connecting Fuerteventura to the nearby island of Gran Canaria. The town is also a great spot for water sports, including snorkeling, windsurfing, and diving, thanks to the rich marine life in the area. You might even spot dolphins or turtles on boat trips that depart from the harbor. For nature lovers, the nearby Jandía Natural Park offers hiking opportunities, with trails leading to the island's highest peak, Pico de la Zarza. From the top, visitors are rewarded with breathtaking views of the island and the Atlantic Ocean.
